"Excellent service at reasonable prices. Fast mobile installation reduced our downtime . They really helped us select the best tire for our application and budget.

WELCOME
RATED #1 WITH OUR CUSTOMERS

Our continued commitment to building long-term customer relationships and providing top-notch service utilizing the best tire technicians in the industry, has allowed us to excel in the industrial tire market. Because we are a service-driven company, we are able to focus on customer satisfaction and truly understand your unique needs.

Commitment to minimizing equipment downtime makes Cascadia Industrial Tire #1 with our industrial tire customers.

WHY CHOOSE US?

We have been in the solid tire business for many years. Our reputation is well known as fair and professional. Please be sure to include us in your short list of vendors.

- ✓ **15+ Years In Industrial Tires**
- ✓ **Minimize Equipment Downtime (Mobile Service)**
- ✓ **Wide Range of Products**
- ✓ **Local, Independent Small Business**

OUR SERVICES

✓ **The Best Tire Technicians**
Our tire techs are the best in the industry! Our fully trained team has many years of expertise and are specially trained to provide quick and reliable service.

✓ **Full Mobile Service** (including solid pressing)
Normally, we can press 4 tires in 45 minutes, so less downtime driving back and forth in Vancouver traffic to a shop press.

FIND THE BEST INDUSTRIAL TIRES
FOR YOUR APPLICATION

✓ **We Are Here To Help**
We'll help you find the right tires or get that machine up and running again. Just contact us **(604) 265-1118**.

✓ **Wide Range of Products**
We work with the biggest names including Continental, Trelleborg, Superior Tire & Rubber, Chao Yang/Westlake and more. We can offer you tires from economy for low usage to premium tires to meet the most severe real-world applications.
